

Vicente A. Núñez-Antón

University of the Basque Country UPV/EHU
Department of Quantitative Methods
Bilbao, Spain

April 2025

SHORT CURRICULUM VITAE

Place of Birth	Guayaquil, Ecuador
Date of Birth	October 9, 1963
Citizenship	Spanish

UNIVERSITY EDUCATION

1982-1987	<i>Electronic Engineer</i> , Escuela Superior Politécnica del Litoral (ESPOL), Ecuador
1989-1990	<i>M.S. in Theoretical Statistics</i> , The University of Iowa, U.S.A.
1990-1993	<i>Ph.D. in Statistics</i> , The University of Iowa, U.S.A. Thesis: Analysis of longitudinal data with unequally spaced observations and time dependent correlated errors Supervisor: George G. Woodworth (The University of Iowa)

PROFESSIONAL EXPERIENCE

1983 - 1986	<i>Teaching Assistant</i> , Instituto de Ciencias Matemáticas, Escuela Superior Politécnica del Litoral (ESPOL).
1986 - 1987	<i>Visiting Professor</i> , Instituto de Ciencias Matemáticas, Escuela Superior Politécnica del Litoral (ESPOL).
1987 (II - XI)	<i>Visiting Professor</i> , Escuela de Sistemas de la Facultad de Ingeniería, Universidad Católica de Santiago de Guayaquil.
1989 - 1993	<i>Teaching Assistant</i> , Department of Statistics and Actuarial Science, The University of Iowa.
1990 (VI - IX)	<i>Statistical Consultant</i> , Statistical Consulting Center, The University of Iowa.
1990 - 1993	<i>Research Assistant</i> , Department of Statistics and Actuarial Science, The University of Iowa.
1993 - 1998	<i>Assistant Professor of Statistics</i> , Department of Econometrics and Statistics (Applied Economics III), University of the Basque Country UPV/EHU.
1998 - 2002	<i>Associate Professor of Statistics</i> , Department of Econometrics and Statistics (Applied Economics III), University of the Basque Country UPV/EHU.
2002-2020	<i>Full Professor of Statistics</i> , Department of Econometrics and Statistics (Applied Economics III), University of the Basque Country UPV/EHU.
since 2020	<i>Full Professor of Statistics</i> , Department of Quantitative Methods, University of the Basque Country UPV/EHU.

AWARDS

1987-1989	Graduate Scholarship awarded by BID (Banco Interamericano de Desarrollo), LASPAU (Latin American Scholarship Program for American Universities) and ESPOL (Escuela Superior Politécnica del Litoral) for the M.S. in Theoretical Statistics.
1987-1989	International Tuition Scholarship awarded by the University of Iowa International Center for the M.S. in Theoretical Statistics.

1989-1993 Tuition Scholarship awarded by the Department of Statistics and Actuarial Science of The University of Iowa for the Ph.D. in Statistics.

PARTICIPATION IN RESEARCH PROJECTS

September 2021-August 2025: **Propuestas semiparamétricas, Bayesianas y de verosimilitud empírica de modelización en análisis de supervivencia, datos longitudinales y modelos de sobredispersión.** Funded by the Spanish Ministerio de Ciencia e Innovación and FEDER. Principal Investigator.

December 2016-September 2021: **Propuestas Metodológicas Alternativas Bayesianas, Semiparamétricas y de Verosimilitud Empírica en Datos Longitudinales, Análisis de Supervivencia y Modelización de la CVRS.** Funded by the Spanish Ministerio de Economía y Competitividad and FEDER. Principal Investigator.

January 2014-December 2017: **Métodos Avanzados en Modelos Espaciales de Sobredispersión, Modelización de la CVRS y Datos Longitudinales: Desarrollo, Implementación y Validación.** Funded by the Spanish Ministerio de Economía y Competitividad and FEDER. Principal Investigator.

January 2011-July 2014: **Análisis de Datos Longitudinales: Modelos Antedependientes y Pseudo paneles. Modelización Estadística de Índices de Calidad de Vida Respecto de la Salud: Propuestas Alternativas y Contrastes de Bondad de Ajuste.** Funded by the Spanish Ministerio de Ciencia e Innovación and FEDER. Principal Investigator.

October 2007-December 2010: **Análisis de Pseudo Paneles, Contrastes de Bondad de Ajuste y Estudio Estadístico de Índices de Calidad de Vida Respecto de la Salud.** Funded by the Spanish Ministerio de Educación y Ciencia and FEDER. Principal Investigator.

December 2004-December 2007: **Contrastes de Bondad de Ajuste en Modelos Multinomiales, de Independencia y Homogeneidad en Tablas de Contingencia, y de Bondad de Ajuste en Distribuciones Bivariadas: Estadísticos de Divergencia y Análisis de Residuos.** Funded by the Spanish Ministerio de Educación y Ciencia and FEDER. Principal Investigator.

October 2002-September 2003: **Estudio de los Estadísticos de Divergencia y Análisis de Residuos para Contrastes de Bondad de Ajuste en Modelos Multinomiales, de Independencia y Homogeneidad en Tablas de Contingencia, y de Bondad de Ajuste en Distribuciones Bivariadas.** Funded by the Spanish Ministerio de Ciencia y Tecnología and FEDER. Principal Investigator.

December 1999-December 2002: **Nuevas Metodologías en Estadística: Datos Longitudinales, Estimación Semiparamétrica, Aplicaciones a Datos Financieros e Inserción de Encuestas.** Funded by the Spanish Ministerio de Ciencia y Tecnología and FEDER. Principal Investigator.

October 1999-October 2001: **Métodos Cuantitativos Aplicados al Estudio de los Mercados Financieros.** Funded by Universidad del País Vasco UPV/EHU. Principal Investigator: E. Ferreira García.

November 1997-November 1998: **Nuevas Metodologías en Estadística: Inserción de Encuestas y Modelos Aditivos Generalizados.** Funded by Universidad del País Vasco UPV/EHU. Principal Investigator: F. Tusell Palmer.

December 1996-November 1999: **Nuevas Metodologías en Estadística: Inserción de Encuestas y Modelos Aditivos Generalizados.** Funded by the Spanish : Ministerio de Educación y Cultura and FEDER. Principal Investigator: F. Tusell Palmer.

December 1994-November 1995: **Estimación Funcional no Paramétrica con Estructuras de Correlación no Estacionarias.** Funded by Universidad del País Vasco UPV/EHU. Principal Investigator.

PH.D. THESIS SUPERVISION

J.M. Orbe Lizundia (2000). **Un Modelo de Regresión Parcial Censurado para Análisis de Supervivencia** (with E. Ferreira García)

A. Oguiza Tovar (2007). **Análisis de Datos de Pseudo-Panel con Muestras Dependientes** (with I. Gallastegui Zulaica).

I. Arostegui Madariaga (2007). **Estudio de la Distribución y Modelización Estadística de la Calidad de Vida Respecto de la Salud: Cuestionario de Salud Short Form - 36 (SF-36).**

M. Morales Otero (2023). **Bayesian spatio-temporal conditional overdispersion models for count data: Proposals, estimation and applications.**

RECENT PROJECTS, SERVICES, INVITED TALKS AND PAPERS PRESENTED

Organizer (with Göran Kauermann) of the workshop Survival of the Fittest. Time to Event Analysis in Biostatistics, Economics and Related Fields. Funded by the Centre for Interdisciplinary Research (ZiF, Zentrum für Interdisziplinäre Forschung), University of Bielefeld, Bielefeld, Germany. Research grants granted by the Spanish Ministry of Science and Education, the Basque Government and the University of the Basque Country (UPV/EHU).

Chair of the Organizing and Scientific Committees for the 15th International Workshop on Statistical Modelling. Funded by the Spanish Ministry of Education and Culture, the Basque Government, the Basque Institute of Statistics and Universidad del País Vasco (UPV/EHU).

Member of the Board of Trustees, the Executive Committee and Secretary of the International Workshop on Statistical Modelling.

Member of the Scientific Committee of the 15th, 18th, 19th, 21st, 30th and 35th International Workshop on Statistical Modelling.

Member of the International Program Committee for the International Biometric Conferences 2006 (Montreal, Canada), 2008 (Dublin, Ireland) and 2012 (Kobe, Japan).

Member of the Scientific Committee for the 2nd Iberoamerican Meeting of Biometry 2009 (Veracruz, Mexico).

Chair of the International Program Committee for the International Biometric Conference 2010 (Floripa, Santa Catarina, Brazil).

Chair of the Subcommittee of the American Statistical Association's Committee on Nominations for International Representative to the American Statistical Association (ASA) Board of Directors.

Member of the Scientific Committee for the First Meeting of the National Biostatistics Network Biostatnet.

Member of the Scientific Committee for the Second Meeting of Young Researchers in Design of Experiments and Biostatistics (JEDE II).

Member of the Scientific Committee for the Second Meeting of the National Biostatistics Network Biostatnet.

Member of the International Scientific Committee for the 5th International Conference on Risk Analysis (Biomedicine, Environmetrics, Economics, Finance & Reliability) (ICRA5).

Member of the Scientific Committee for the Third Summer School Meeting of Young Researchers in Statistics: Design of Experiments and Biostatistics (JEDE III).

Member of the Scientific Committee for the Third Meeting of the National Biostatistics Network Biostatnet.

Member of the International Scientific Committee for the 6th International Conference on Risk Analysis (Biomedicine, Environmetrics, Economics, Finance & Reliability) (ICRA6).

Chair of the Scientific Committee for the XV Spanish Biometric Conference and V Iberoamerican Biometric Meeting.

Member of the Scientific Committee for the XVI Spanish Biometric Conference.

Member of the International Scientific Committee for the 7th International Conference on Risk Analysis (Biomedicine, Environmetrics, Economics, Finance & Reliability) (ICRA7).

Member of the Scientific Committee for the Satellite Meeting of ISI-Committee on Risk Analysis, in honour of Professor David Banks and for the 11th Workshop on Statistics, Mathematics and Computation.

Member of the Scientific Committee for the Fourth Meeting of the National Biostatistics Network Biostatnet.

Member of the Scientific Committee for the XVII Spanish Biometric Conference and VI Iberoamerican Biometric Meeting.

Member of the Scientific Committee for the XVIII Spanish Biometric Conference.

Member of the Scientific Committee for the XIX Spanish Biometric Conference and VIII Iberoamerican Biometric Meeting.

Member and Chair of the Conference Advisory Committee of the International Biometric Society.

Member of the Executive Committee of the Spanish Biometric Society.

Member of the International Representative Council of the International Biometric Society.

Elected Member of the Executive Board of the International Biometric Society.

Member of the Editorial Advisory Committee of the International Biometric Society.

Associate Editor for Applied Statistics (JRSS-C), Statistical Modelling and Methodology: European Journal of Research methods for the Behavioral and Social Sciences.

Book Review Editor for Biometrics.

Coordinating Editor for Statistical Modelling.

Secretary-Treasurer of the International Biometric Society.

Member of the Executive Board of the International Biometric Society.

Member of the Budget and Finance Committee of the International Biometric Society.

Referee for papers submitted to the Journal of the Royal Statistical Society - Series B, Journal of Multivariate Analysis, Biometrics, Statistical Methods in Medical Research, Biostatistics, The British Journal of Mathematical and Statistical Psychology, Applied Statistics (Journal of the Royal Statistical Society - Series C),

Statistics and Computing, Biometrical Journal, Journal of Computational and Graphical Statistics, Computational Statistics and Data Analysis, Scandinavian Journal of Statistics, Journal of Applied Statistics, Journal of Time Series Analysis, SORT, Journal of Nonparametric Statistics, Test, Statistics and Computing, Physiological Genomics, Genetics, Statistical Modelling, Statistical Methodology and Genetics, Communications in Statistics - Simulation and Computation, Journal of Agricultural, Biological and Environmental Statistics (JABES), Statistical Methodology, Comptes Rendus Mathematics, The Brazilian Journal of Probability and Statistics, Revista de Economía Agraria y Recursos Naturales (EARN).

External expert for the promotion of Faculty at the University of California at Los Angeles (UCLA), for the University of Cyprus, for the Ludwig-Maximilians-Universität (LMU) München and for Durham University.

External evaluator of book proposals for John Wiley and Sons.

External expert for the evaluation of research grants for the “Fonds voor Wetenschappelijk Onderzoek-Vlaanderen” (Flemish Government, Belgium).

Expert for the evaluation of research grants in the areas of Mathematics and Economics for the Spanish Ministry of Science and Education.

Invited talks at the seminars organized by the University Veracruzana (Mexico), Catholic University of Leuven (Belgium), National University of Bogotá (Colombia), University Sergio Arboleda (Colombia), Ludwig Maximilians University of Munich (Germany), Toulouse University (France), The University of Iowa (USA), Iowa State University (USA), Pontificia Universidad Católica de Chile (Chile), University of Wisconsin (USA), University of Missouri (USA), University of South Carolina at Columbia (USA), Pontificia Universidad Católica de Chile (Chile), Pontificia Universidad Católica de Valparaíso (Chile), The Institute of Cybernetics, Mathematics and Physics (ICIMAF, Cuba), Escuela Superior Politécnica del Litoral (ESPOL) (Ecuador), Erasmus Medical Center - University Medical Center Rotterdam (The Netherlands), Public University of Navarra (Spain), University of the Basque Country (Spain), University of Coruña (Spain), University of Cantabria (Spain), University Carlos III (Spain), Polytechnic University of Cataluña (Spain), University of Castilla La Mancha (Spain), University of Valencia (Spain), University of Navarra (Spain), Hasselt University (Belgium), Autonomous University of Barcelona (Spain), University EAFIT (Colombia), University of Antioquia (Colombia), University Javeriana (Colombia), Università degli studi di Milano-Bicocca (Italy) and University of Miami (USA).

Papers presented at National and International meetings in Statistics, such as the International Biometric Conference, the European Meeting of the Psychometric Society, the Congreso Nacional de Estadística e Investigación Operativa, Spanish Biometric and Iberoamerican Conference, the Conference on Applied Statistics in Ireland, the European Mathematical Psychology Group Meeting, the International Conference of the Royal Statistical Society, the Meeting of the European Conference Series in Quantitative Economics and Econometrics (EC)², the International Conference on Applied Stochastic Models and Data Analysis, the Congreso Iberoamericano de Estadística and Foro Nacional de Estadística, the International Workshop on Statistical Modelling, the meeting Modelling Longitudinal and Spatially Correlated Data: Methods, Applications, and Future Directions, the Workshop The Art of Nonparametric Statistics: Methodologies and Applications, the Meeting of the International Biometric Society Network for Central America, the Caribbean, Mexico, Colombia and Venezuela, the Session of the International Statistical Institute, the International Meeting of Multidimensional Data Analysis, the International Conference on Mathematical Methods in Reliability, the COMPSTAT Conference, Foro de Finanzas, Simposio de Análisis Económico, the Conferencia Española de Biometría, the European Meeting of Statisticians, the International Symposium on Medical Data Analysis, the Conference on Information Theory. Statistical Decision Functions and Random Processes, the Society of Computational Economics International Conference on Computing in Economics and Finance, the International Conference of the ERCIM Working Group on Computing and Statistics, International Conference on Risk Analysis (ICRA) - Biomedicine, Environmetrics, Economics, Finance and Reliability, Meeting of Young Researchers in Design of Experiments and Biostatistics, and the Conference on Statistical Computation and Complex Systems.

Member of the American Statistical Association, of the International Biometric Society, of the Sociedad Española de Estadística e Investigación Operativa, of the Sociedad Española de Biometría, of the Statistical Modelling Society, and of the International Association for Statistical Computing, a section of The International Statistical Institute.

Elected member of the International Statistical Institute.

Fellow of the Royal Statistical Society.
